

For Immediate Release

Travis "T-Bone" Turner To Appear On Whitetail Country TV Show Airing On ESPN2

Hogansville, GA (Press Release - September 15, 2008) - Travis "T-Bone" Turner, the popular Realtree Pro-staff hunter and co-host of Michael Waddell's Bone Collector, announced today that will appear on the outdoors TV show Whitetail Country airing on ESPN2.

Already a regular personality in several very successful Realtree Outdoors productions including Realtree's Monster Bucks DVD series, Turner will have his life, family, and career highlighted on the Whitetail Country episode. A film crew spent time with Turner at his Georgia home over the summer.

"It's really exciting that Whitetail Country will air my biography." said Turner, "It's was a blast when the film crew came to my house and I'm looking forward to sharing my life story with the TV viewers."

The Whitetail Country episode featuring Turner will air on Sunday, October 5, 2008 at 8:00 AM and Saturday, October 11, 2008 at 6:00 AM.

About Whitetail Country On ESPN2

Whitetail Country episodes dive into different geological parts of the whitetail woods as well as applicable technique and strategy for the region. Whitetail Country features many professional hunters including Tom Miranda, Bill Jordan, Chuck Adams, Greg Miller and many other whitetail hunting professionals. Each week viewers will see great hunts and get an up close look at one of the pros at home. For more information, please visit:
